

Primavera Tasting List

During spring the vines which have been resting throughout the winter months come back to life with budburst. The new growth flourishes into shoots, leaves, and bunches of grape 'flowers' marking the beginning of the new life cycle.

Bring on the Spring Racing Carnival! We have sparkling wines to suit every taste and budget from Rococo to Trevi from dry to sweet! Most are available to taste and we have some great specials. We also have a range of delicious food friendly varietal wines to taste including SERO from King Valley. You can finish off with Australia's signature dessert wine Noble One 2007 [25th Vintage Release] or one of our superb fortified wines or perhaps a palate cleansing ale. Enjoy!
