

....a comment from our winemaker, steve webber

an understanding of our soil and vineyards continues to be our focus on the production of single vineyard wines from the estate. we are now seeing a common thread in the detail and texture of wine from these older vineyards with some interesting influence from the season. i have listed a few of our estate, reserve and phi wines that i feel are interesting and show a bit of character, charm and interest. hope you enjoy them.

fizz

bella vista franciacorta	nv lombardy, italy	italian fizz – seriously good kit, great label	100
lamandier bernier blanc de blanc	nv ambonnay, fr	single vineyard blanc de blanc biodynamic champagne producer	110
