

## Noble One Botrytis Semillon **OUTSTANDING** CATEGORY

Originally a commercial winemaker, this producer has become an innovator at the top end: firstly, through the creation of Noble One Botrytis Semillon, a richly exotic, sweet, dessert wine that has set the pace for well over 15 years; and, secondly, through investment in Victoria's Yarra Valley.

De Bortoli remains a family venture. The De Bortoli Noble One is the only dessert wine in Langton's Classification. These are beautifully made wines with intense honeyed apricot aromas and a luscious sweet, highly viscous, but beautifully balanced and uncloying palate.
