"Quite rich and sweet, showing citrus peel overtones together with some volatile lift."

Winewise, February 2008

DEEN VAT 5 BORTYTIS SEMILLON 2005

86 points

"It's like... Noble One Botrytis Semillon, just dialed back a notch, with less oak and concentration, but still boasting dried apricot and candied pineapple flavors that end with a hint of orange rind."

Joe Czerwinski, Wine Enthusiast (USA), 15 December 2007

DEEN VAT 9 CABERNET SAUVIGNON

"The very appealing, open nose shows clear-cut varietal fruit. The palate is soft and marginally sweet, offering very pleasant drinking."

Winewise, February 2008

DEEN VAT 6 VERDELHO

90 points

"Wines like this are setting a new standard for entry-level whites. Gone are the days of heavy, sweet, confectioned manifestations. Welcome to a new era in which earlier picking and higher cropping produce lively, fresh lemon flavours, and old barrel action creates textural structure and a persistent finish."

Tyson Stelzer, WBM 100, January 2008

DEEN VAT 1 DURIF 2006

★★★★★

"Deep and youthful, projecting delightful aromas of black olives and blackcurrant. More dry red rather than sweet fruit flavours with lovely charry oak."

The Wine & Spirit Insider, Winestate, Special Edition 2007

DEEN VAT 7 CHARDONNAY 2007

"Rich, bright aromas of toasty cashews and melon fruit. Soft, round palate with mouth-filling oak and citrus flavours edged with spice."

The Wine & Spirit Insider, Winestate, Special Edition 2007
