Timeless Celebrations

Set among the vineyards of the Yarra Valley, De Bortoli is a place where landscape and legacy meet.

Generations of winemaking have shaped this estate, creating a setting defined by warmth, authenticity and quiet elegance.

Here, weddings unfold against a backdrop of rolling vines and open skies. Garden ceremonies lead into candlelit celebrations, where seasonal menus and estate wines bring family and friends together around the table.

Each wedding becomes part of the living story of the estate, a day marked not only by beauty, but by connection.

We don't simply host weddings.

We create moments that linger long after the last toast.
